Acronis Disk Director 9.0 received the Bleedin Edge Gold Blade Award

"Acronis has done a truly excellent job with Acronis Disk Director Suite 9.0." (full article)

PC Pro A List Award

Acronis Disk Director Suite 9.0 was awarded A List Award in PC Pro Magazine, 11/2004

Freenet.de "Sehr Gut" Award

"Acronis Disk Director excites us with its simple operations and reasoned functions. Even beginners can divide hard disks simply, create a partition for Linux, or activate the multiboot manager with this program. For the very technical user, the disk editor represents a powerful tool. It particularly pleases us that Acronis Disk Director Suite 9.0 can be used independently of the installed operating system." (full article, in German)

Award "Best Software of the Month" from "Softwarove Noviny" magazine, September 2004

Acronis Disk Director Suite 9.0 was awarded the Best Software of the Month Award
